
Emma Fulton CPhT

What is your title?

Compounding Pharmacy Technician

What is your role at the pharmacy?

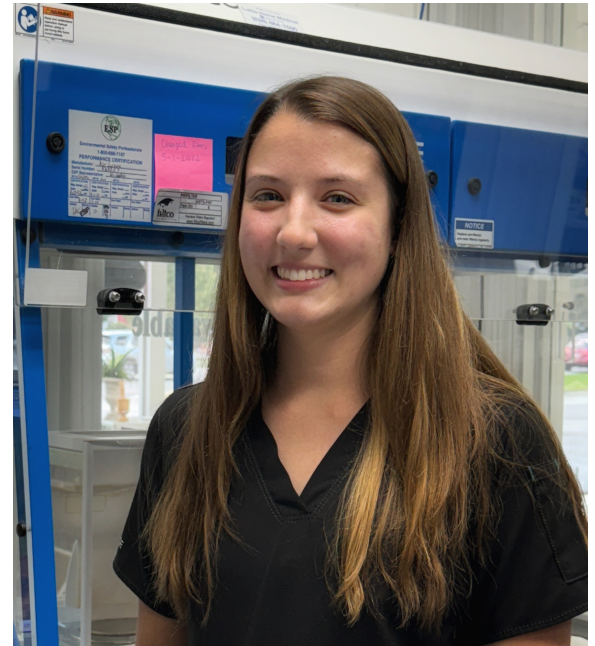

My job is to make sure your medications get made accurately and in a timely manner for you and your fur babies!

How is Metcalf Compounding Pharmacy different?

Metcalf Compounding Pharmacy is different in that each and every medication is formulated specifically for your unique needs. We put quality first and always hope to exceed your expectations when it comes to picking up your prescriptions!

What would some people be surprised to find out about you?

Some people may be surprised to find out that I love nature and the outdoors. My ideal weekend looks like a day spent outside hiking an 8 to 12 mile loop with my mom!
